CAVALIER

IX edition

edited by

Senior

Class

of 1962

Gloucester

High School

DEDICATION

Because of the respect, appreciation, and love we feel for one who has been more than a teacher and friend to us as individuals, and has done so much for our class, we, the Senior Class, dedicate the 1962 CAVALIER to you, MRS. GLADYS BELCHER.

FOREWORD

These doors are the gateway to our high school life. They have welcomed those students new to Gloucester High School and have bid farewell to those who pass through them for the last time as students. The hours we have spent at Gloucester High after entering these doors for the first time have been sometimes joyous and sometimes sad, but always worth remembering.

The CAVALIER staff hopes that this annual will help you to remember these hours--the friends you made, the school activities, and the things you learned. So turn the pages of this annual with a receptive heart for "A CLOSER LOOK" at the school year 1961-1962.

ALMA MATER

We sing our Alma Mater
And praise thy glorious name
We join in mighty chorus
To laud thy halls of fame.

Sing hail to Thee, Sing hail to thee
Loud let your voices cry
With loyal adoration
For dear Old Gloucester High.

We'll fill our hearts with gladness
And never shall it die.

A PEEK of G.H.S.

F. H. A. CREED

We are the Future Homemakers of America
We face the future with warm courage and high hope.
For we have the clear consciousness of seeking
Old and precious values.
For we are the builders of homes,
Homes for America's future.
Homes where living will be the expression of everything
That is good and fair.
Homes where truth and love and security and faith
Will be realities, not dreams.
We are the Future Homemakers of America
We face the future with warm courage and high hope.

F.H.A.

F. F. A. MOTTO

Learning to do
Doing to learn
Earning to live
Living to serve.

And that moonman isn't just spoofin'. Nowhere else on this planet is there a fuel like crystal-clear Amoco Super-Premium!

Powerful Amoco-Gas is the ONLY premium gas that's UNLEADED. Result-there's no lead in Amoco-Gas to foul pistons, plugs and valves. Mighty important, if you consider that up to 8 out of 10 spark plug failures are caused by lead fouling.

So whether you're driving a saucer or an ordinary car, better start using premium, unleaded Amoco-Gas-for more power and smoother performance PLUS savings on spark plugs, tune-ups and repairs.
